Heckler Credenza Neo transforms your video meeting spaces into vibrant, high-performance environments—without the complexity. With a sleek floating front panel available in 42 beautiful Felt Right colors (and optional logo customization), Credenza Neo delivers both design impact and acoustic performance. Behind the panel, its robust aluminum chassis provides ample space and smart organization for all your gear, thanks to the versatile Heckler Grid, VESA-compatible mounting, and 1RU rack support.

Installation is fast and frustration-free with the included wall template, while thoughtful features like tool-less panel access, hidden cable management, and compatibility with existing wall outlets keep costs—and mess—way down. Optional LED lighting adds a soft glow to highlight your collaboration tech, while ADA-compliant design ensures accessibility for every space. Whether you're deploying one or one hundred, Heckler Credenza Neo makes your meeting rooms smarter, cleaner, and more impressive.

## Features

Keeps gear accessible but hidden behind panel.

Avoids in-wall wiring and costly trade work.

Includes universal video bar mount and back splash.

Tool-less installation with adjustable height and cable routing.

Felt Right panel in 42 colors with acoustic properties.

Panel is RF-transparent, pinnable, antimicrobial, and fire-rated.

Durable aluminum chassis with top shelf for accessories.

Heckler Grid supports VESA, 1RU rack gear, and clean routing.

Passive airflow and outlet cutout for easy equipment access.

Quick wall-mount install with included template.

ADA-compliant design with 8" display protrusion support.

Optional logo or artwork customization.

Ships compactly; up to 20 units per pallet.

LED-ready sidewalls for subtle ambient lighting.

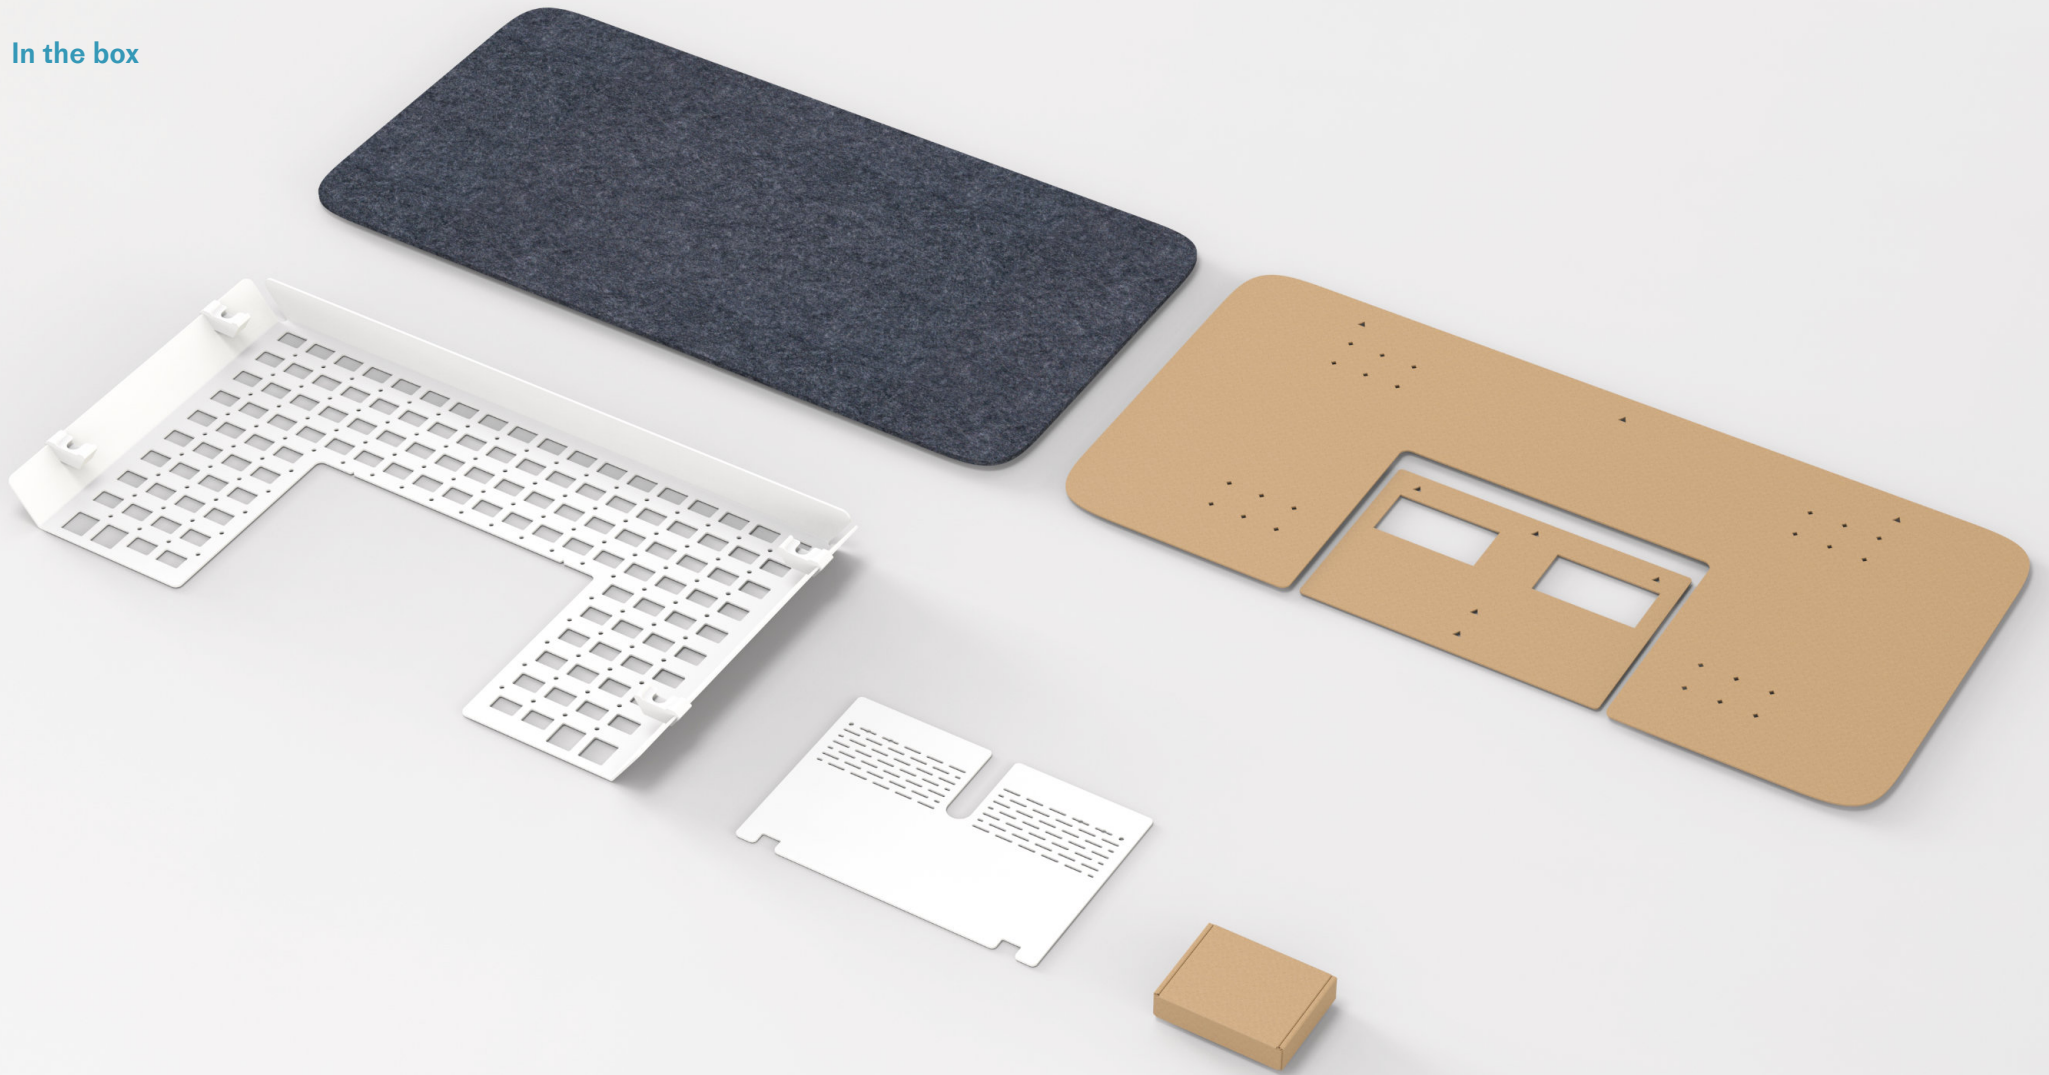

Made in Phoenix, Arizona. TAA Compliant.
