A simple solution for accessibility.

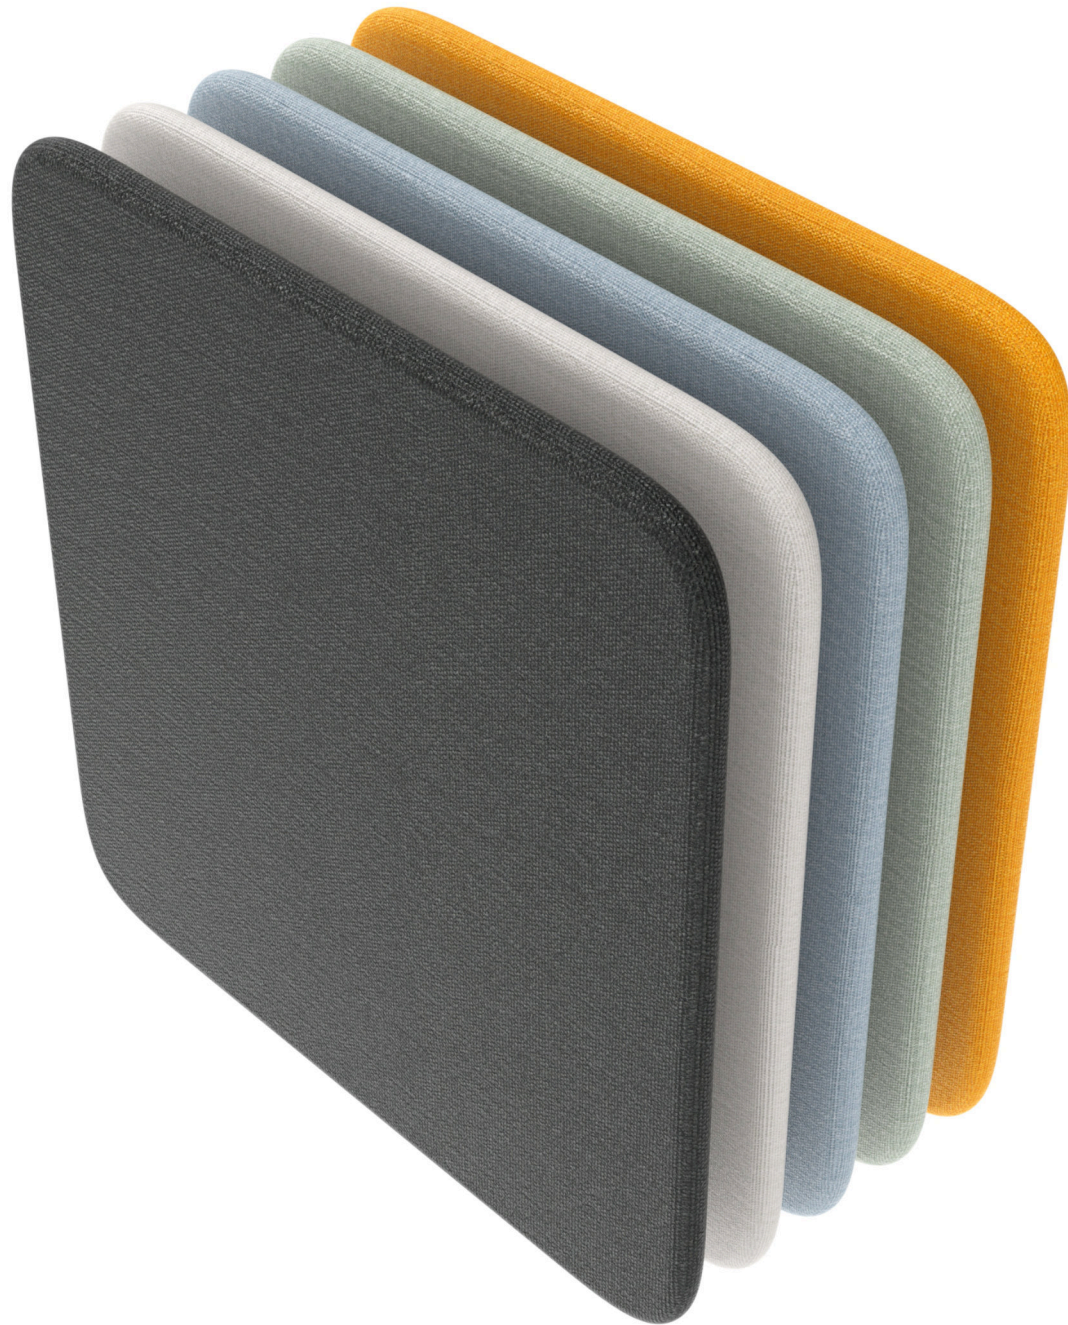

ADA Panel Pair 24x24
H806A

Heckler

Creating an ADA-compliant guide path in your meeting spaces while also creating a first-class video meeting experience is a complex challenge. With Heckler ADA Panel Pair 24x24 you can solve this challenge with simplicity and style.

Features

Sculpted front panel, wrapped in premium Maharam fabric.

Adds three additional inches to your guide path, enabling your displays directly above each ADA Panel to protrude off your wall up to seven inches.

Easy assembly and installation.

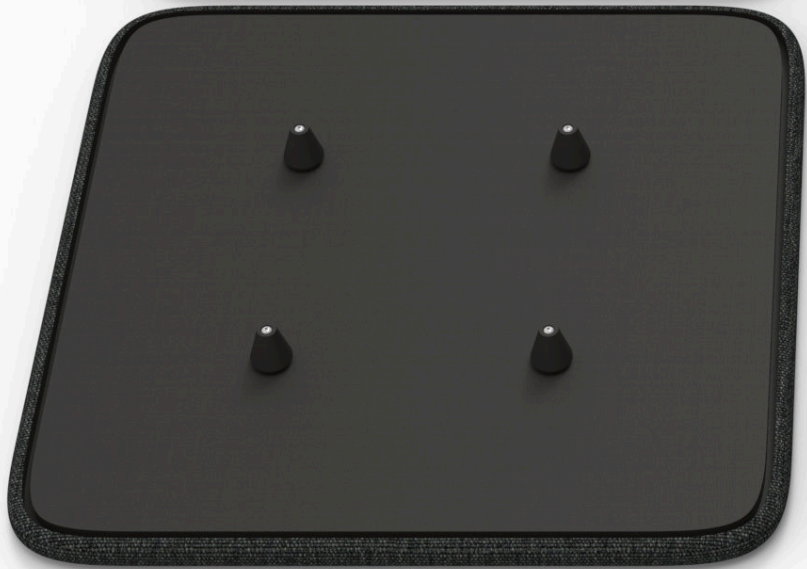

Enables individuals using their hand or cane to navigate the perimeter of your spaces to avoid collisions with displays and other wall-mounted equipment.

Designed to look great when mounted next to Heckler AV Wall and Heckler AV Credenza.

Install multiple ADA panel sets consecutively as needed to make large display and multiple display installations ADA compliant.

Install anywhere you want to enhance the guide path in your rooms to achieve compliance with the Americans with Disabilities Act.
