

# SIDE MOUNT

for iPad 10.2-inch 7th Generation

## Secure Enclosure for iPad for Room Scheduling

Pretty, simple tablet mounting. Easily mount an iPad outside your conference rooms and meeting rooms to create beautiful scheduling displays. The mount installs to the side of your mullions, features a large, hidden pocket to hide PoE power adapters, networking adapters, and external power banks (all sold separately)—all while maintaining a slim profile. Heckler Side Mount features our incredibly rigid, commercial-grade construction, simple installation, hidden assembly screws, fingerprint-resistant, and scratch-resistant powder coat finish.
