

FRONT MOUNT

for iPad 10.2-inch 7th Generation

Secure Enclosure for iPad for Room Scheduling

Easily mount an iPad outside your glass conference rooms and meeting rooms to create beautiful scheduling displays. Heckler Front Mount installs to the front of your mullions, features a large, hidden pocket to hide PoE power adapters, networking adapters, and external power banks (all sold separately)—all while maintaining a slim profile. Pair with a PoE Splitter (sold separately) to keep your iPad powered throughout the day.
