The Heckler Stand for Surface Hub is a sleek, mobile solution for the 50-inch Microsoft Surface Hub 3 and 2S. Crafted from heavy-gauge steel with a refined white powdercoat, it complements the Hub's aluminum casing while providing lasting strength. Slim and modern, it elevates any space, and premium 4-inch casters glide smoothly and lock securely for effortless mobility.

## Features

### Supports Smart Rotation

– Instantly switch between portrait and landscape with Surface Hub 3 or upgraded Surface Hub 2S devices.

### Optional APC Charge

**battery support** – Mounting brackets included for up to two hours of unplugged collaboration.

### Tool-free device mounting

– Patent-pending system lets you mount your Surface Hub securely in seconds.

**Customizable Felt Right cover** – Conceals cables and battery with 42 color choices and logo or artwork customization.

**Compact nesting design** – Multiple stands store efficiently, saving valuable floor space.

**Integrated cable management** – Built-in cable managers and cord wrap keep setups clean and organized.

**Premium 4-inch casters** – Smooth mobility across thresholds with total-lock brakes for secure positioning.

**Optimized for global deployment** – Compact packaging ships via small carriers; up to 40 units fit on a standard pallet.
